POINTS AND AUTHORITIES

Facts

CHURCH is a California Non-Profit Corporation with IRS 501(c) status. Its  
primary income is from contribution from its members. It has invested in Notes

Secured by Deeds of Trust on Real Property. Debtors were the brokers for the Trust Deed Investments. The Debtors collectively had fiduciary duties which included obtaining suitable borrowers with real property appraised in excess of the proposed loans and with a reasonable plan to repay the loans. Debtors charged origination fees or "points" to the borrowers and these origination fees or "points" are the primary income of Debtors. At no time were Debtors authorized to co-mingle with or use any funds intended for investment.

Debtors were operating under a Power of Attorney which allowed them to collect the payments from the borrowers and to pay said funds to CHURCH. CHURCH hereby revokes the Power of Attorney. Once the Notes are released to CHURCH, it will either collect them themselves or place them for collection. This "collection" is a ministerial act but with fiduciary duties. Debtors have no legal interest in the funds collected from borrowers. Debtors are not the Payees of the Notes nor are they the beneficiaries of the Deeds of Trust.

Debtors receipted for \$500,000.00 of CHURCH's money and brokered all funds to borrowers. Principal was repaid on some of the loans and the total is now \$475,464.72. The Notes and Deeds of Trust owned by CHURCH is summarized as Exhibit "A" hereto.

#### The Law

Debtors and their affiliates are licensed by the State of Nevada Financial Institution Division as mortgage brokers or mortgage agents under NRS 645B. Escrow

Accounts are required under NRS 645B.165 through 175 and commingling is prohibited under NRS 645B.180.

Debtors serve as a collection agent for benefit of the Movant under a power of Attorney. CHURCH desires to terminate the Power of Attorney due to malfeasance and/or intentional misconduct of Debtors.

11 USC 541(b)(1) states that: "Property of the estate does not include any power that the debtor may exercise solely for the benefit of an entity other than the debtor."

#### Argument

CHURCH is the owner of the various Notes Secured by Deed of Trust that have been recorded showing an Assignment from Debtors to CHURCH in all or a proportionate amount of each Note and Deed of Trust. These Notes and Deeds of Trust are clearly not property of the estate and indeed the Debtor does not appear to contend otherwise.

The Debtor operated under a Power of Attorney which allows them to collect the payments from CHURCH and forward CHURCH his interest. It appears that this master-servant relationship has been breached. To the extent that Debtors have breached their fiduciary duties, they should be disqualified as servicing agents or indeed, as Debtors-in-Possession.

The Notes Secured by Deeds of Trust being serviced are owned by CHURCH and should be released to CHURCH. A summary of the Notes Secured by Deeds of

Trust totaling \$500,000.00 are summarized in Exhibit "A" hereto. This will cause no financial loss to Debtors since the primary income of Debtors is the substantial loan origination fees or "Points" earned at the funding of the loan not the minuscule servicing fees after the loan is funded. Indeed, replacement of the servicing agent will reduce the salary requirement of the collection department of Debtor which is presently being overwhelmed with telephone calls from investors and with borrowers who doubt whether late payments or no payments will be pursued by a bankrupt collection agent who has no incentive or financial interest in the instruments.

Conclusion

The Power of Attorney to continue collecting and to make loans for the benefit of CHURCH has been terminated and the Court should confirm such termination.

Debtors' Motion should be denied and the funds, Notes and Deeds of Trust should be released to their owners.
